

Horizon Elementary - Proposed Improvements

[Kindra Padgett] Hi, my name is Kindra Padgett. I'm the Principal at Horizon Elementary. I want to share with you the building improvements that would be made if the bond proposal is approved by taxpayers. Proposed improvements at Horizon Elementary School include: Critical infrastructure. Improving HVAC systems, including adding air conditioning. Replacing pavement, sidewalks and curbs. Improving interior and exterior lighting and controls. Upgrading electrical distribution. Upgrading building management systems. Safety and security: Remodeling secure building entrance. Replacing selective door hardware. Improving playground. Improving site traffic safety and flow for pedestrian safety. Learning environments: Constructing gymnasium addition. Constructing classroom addition. Replacing classroom, office and media center furniture and equipment. Upgrading, flooring, ceilings and cabinetry. Upgrading instructional technology and student devices. Upgrading classroom audiovisual equipment. Innovation: Modernize facilities to maximize educational opportunities, flexibility and safety, while considering environmental, sustainability and future operating costs. Thank you for listening.
